or [Sean@DowellCommercial.com](mailto:Sean@DowellCommercial.com)

**Doorway to Downtown:**  
This property is at a signalized intersection and at the entry to approx. 741K SF downtown Gibsonville. Traffic counts of 4,700 – 6,700 AADT (2023 NCDOT).

**New Construction:** This 1934 constructed building was fully renovated and delivers Feb. 2026. Building offers a new roof, new HVAC, and upgraded interior finishes. Space is today ready for a tenant's floor choice, final desired build out, and a change of use permit.

**Private Land In CBD:**  
One of the few downtown sites with an outdoor area, one of the few sites that can allow food trucks, and a rare downtown location with private first come, first serve parking. Best of all worlds location and situation.

**Signal Redesign:** This light is being redesigned by NC DOT and will be moved to a more central location on the building over the next few years.
